T-Money Card

The location of T-Money Machine.

- At the activity zone has 2 machine.
- At display zone has 2 machine.

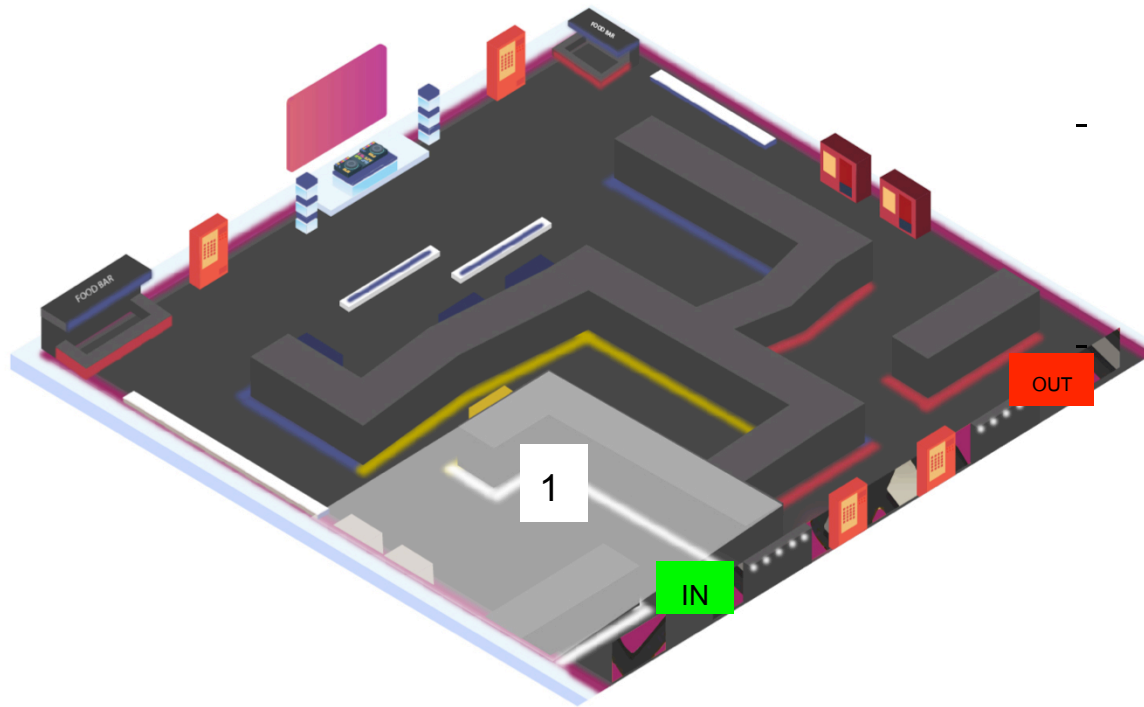

DISPLAY ZONE

Separate to 4 zone for 4 color

- First zone use white for life concept.
- Second zone use yellow for light concept.
- Thirds zone use blue for culture concept.
- Forth zone use red for love concept.

First zone use white color for Life concept.

- In this zone will display a photo with life concept such lifestyle, daily life of K-POP Idol.
- In this zone has a machine that call encouragement machine that inside has product can encourage you.

Feeling boards that everyone can comment or write a bad things.

Feeling Board

Encouragement Machine

Encouragement Machine

The encouragement machine is a machine that I got reference from the news, talk about people who feeling sad and want someone to encourage theme but can't tell no one else.

I made it because I want to make everyone feel good and happy although we don't knew each other.

Feeling Board

This one is made for everyone to **write your feeling** or **what do you think**. And hope this feeling boards can help or encourage them.

Example of picture that display on Life zone

Second zone use yellow color for Light concept.

- In this zone will display a photo with light concept such sunset, sunrise, light of traffic and more.
- In this zone has a machine that call **perfume and candle machine** that inside has product that has a candle with perfume that the K-POP Idol use, and a smell of perfume can make you feeling fresh.
- **Shadow light**, It set up for make this zone clear that is Light.

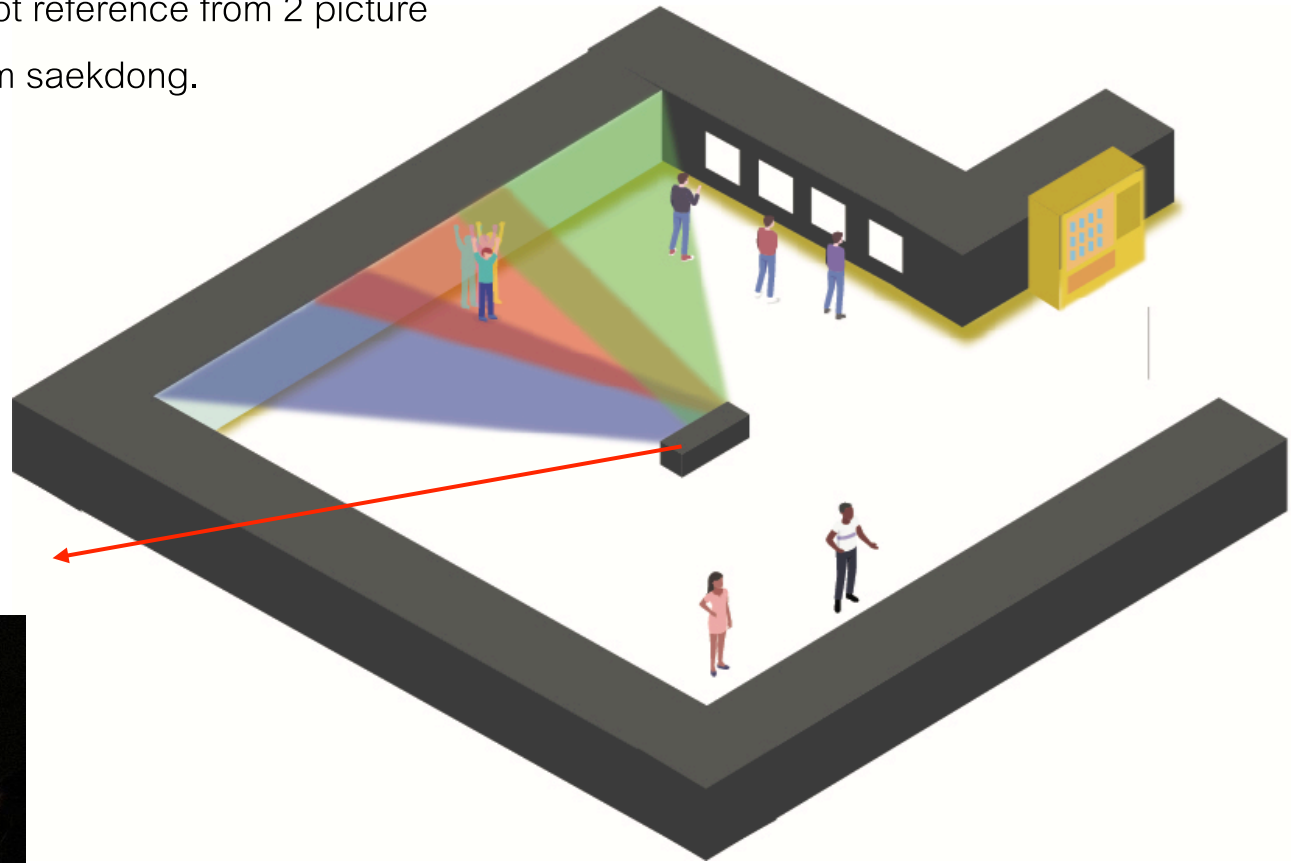

PICTURE

Perfume and
candle machine

Shadow light

Shadow light is use to make the concept of this zone was clear and I got reference from 2 picture below. And color is from saekdong.

Perfume and candle machine

The product inside this machine is a **candle that has smell from perfume that idol use**. But this machine is rondom you can not select.

Example of picture that display on light zone

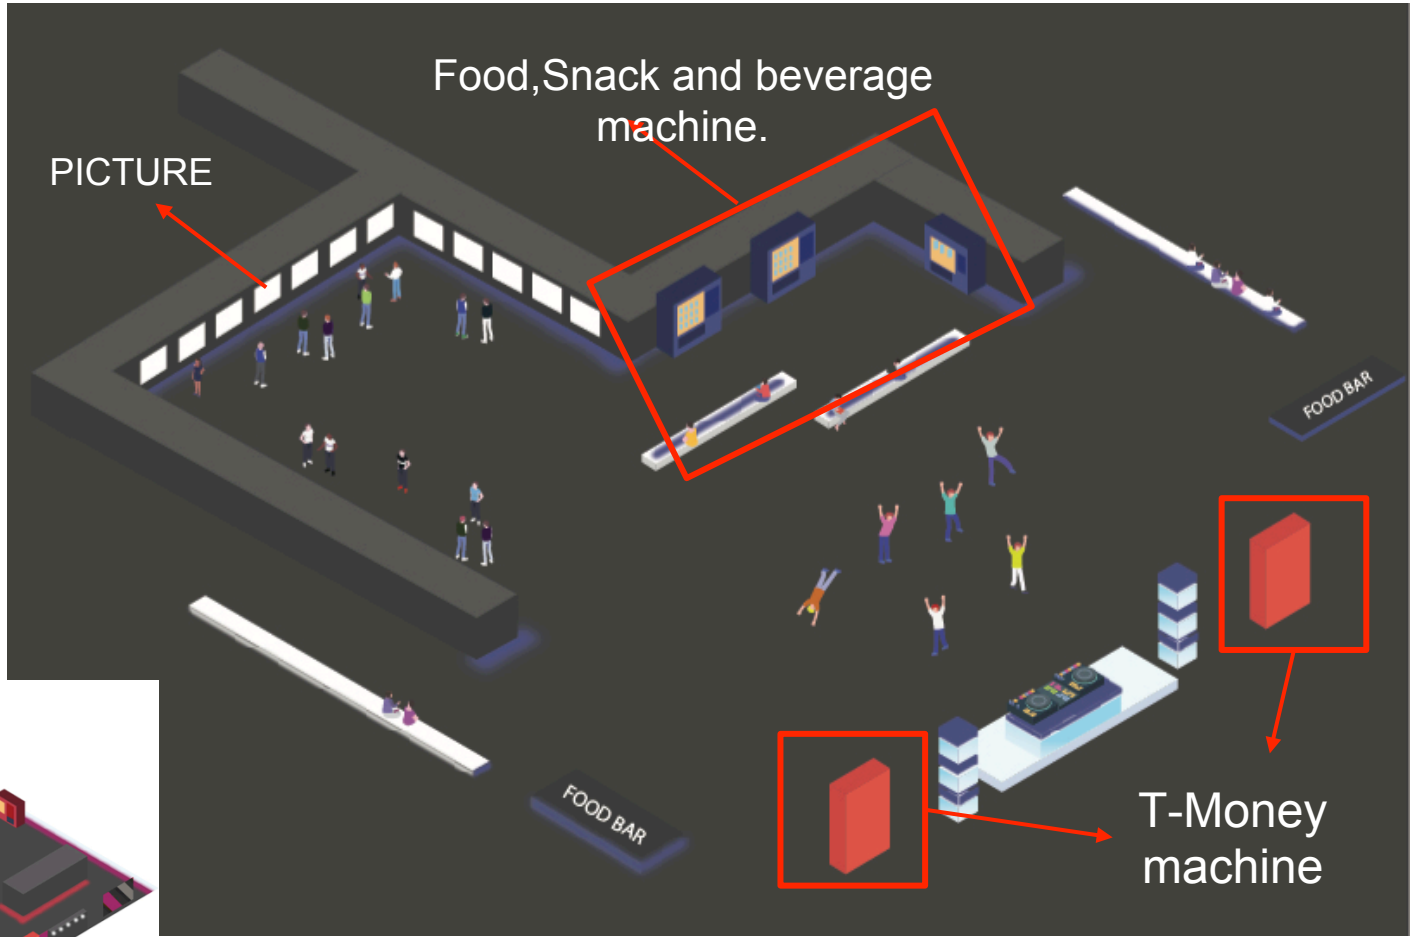

Third zone use blue color for Culture concept.

- In this zone will display a photo with Culture concept such daily life of korean people, traditional.
- In this zone has a machine 3 machine is food machine, beverages machine, snack machine. And has a food bar that korean restaurant.
- Stage show, On this zone will set the stage like a korean concert to make everyone feel like.

Long chair

Snack

Noodle

Beverages
