

**FEAR**

Art Exhibition

# Entrance

## The Entrance

before entering, the visitors should read the caution that place at the entrance and check if they have one of “Phobia” below.

and the staff that will give you an infomation brosure.

# The Main Hall

At the Main Hall. you can visit up to three sections in this floor.

there's will be a dry ice with a green dim light to make smoke glow.

# The Prayer

when you walk through the entrance. This section will be on your left.

This section will tell about when people have nothing to rely on they will start to pray to something they can not see.

This section related to "Thanatophobia"

# The Corpses Cart

This section will be on you right if you're from "The Prayer" section.

At 1347, people have suffer and death from the Plague aka. The Black Death

This section related to Necrophobia.

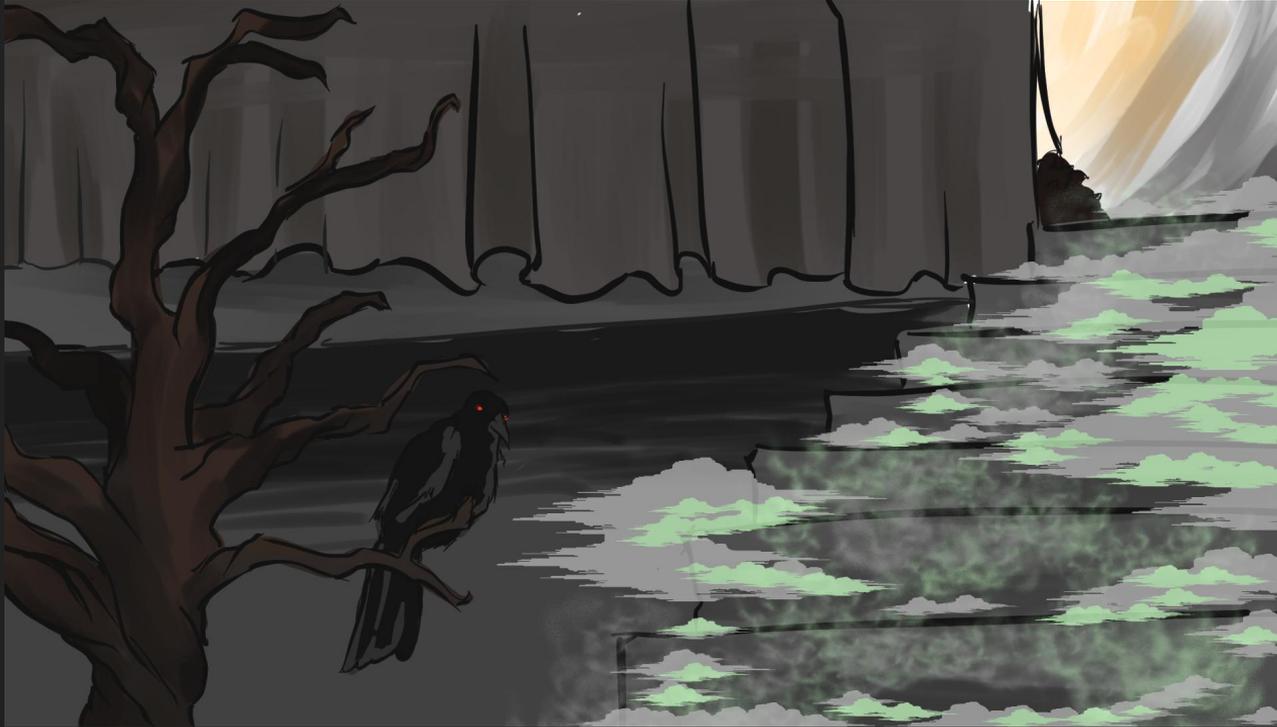

# The Plague Doctor

This section is next to  
“The Corpses Cart” .

This section will told you a  
story about the plague  
doctor and show their  
outfit and items.

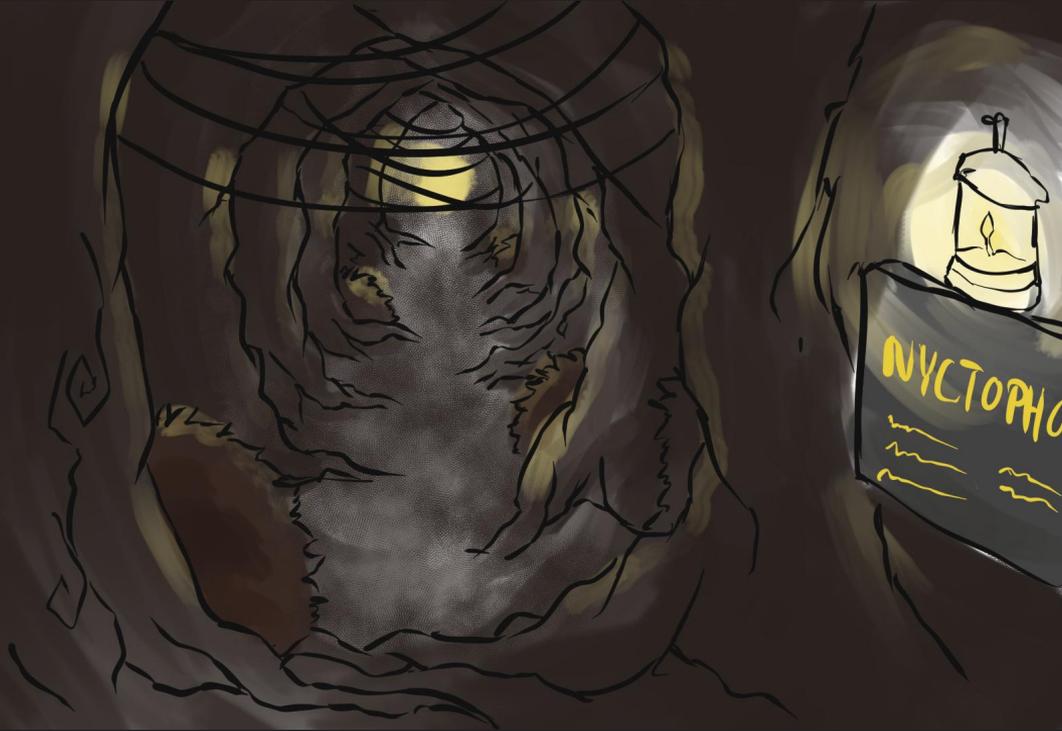

# Stair to 2nd Floor

At the end of “The Plague Doctor” section this will be stair to 2nd floor.

While you walking you can see that the tree height is all the way up to 2nd floor. you can see decorations at the top of the tree.

# The Dark Forest

After walk from the stair the next section will be “The Dark Forest”

You have to walk through this section with very dark path but the end of this section have a light that guide you way

This section related to the “Nyctophobia” and “Hylophobia”

# Guiding Lantern

At the end of forest this will be a stone statue holding a lantern.

On the left at behind the door will be a next section.

# The Narrow Trap door

Behind the door will be an exit way but this room is getting smaller when you are closing to the door.

This section related to “Claustrophobia”

THANK YOU
